## LOCATOR CERTIFICATION SEMINAR

### STAKING U's LOCATOR CERTIFICATION SEMINARS AID LOCATORS IN DEVELOPING:

- Superior troubleshooting techniques
- Skills to consistently provide accurate and complete utility location information
- A mastery of locating equipment knowledge required to pass Staking U's locator certification test

### A COMPETENT LOCATOR:

- Can tell the difference between good locating information and bad
- Understands what creates bad information
- Knows what actions may result from converting bad information into good.

More information regarding Staking U's Locator Certification seminar can be found at [www.underspace.com](http://www.underspace.com) or by calling 815-468-7814.

An optional written certification test will be given at the end of the seminar. Attendees scoring a 93 or better will receive a Staking University numbered certification.

### LOCATOR CERTIFICATION SEMINAR CANCELLATION POLICY:

- Prior to 14 days before event—15% fee
- 14-3 days before event, 50% fee or full credit applied to future training
- Within 72 hours of event—no refund. Full credit will be applied to future training.
